

BILL NO. BL2018-1187 (VERCHER) – This ordinance would codify the fee schedule for operational permits issued by the Fire Marshal's Office. The Metropolitan Code of Laws Section 10.64.10 notes that the Metropolitan Government has adopted the 2012 International Fire Code, which authorizes an agency to issue operation permits and charge fees to offset the cost of providing inspections and other services.

The fee schedule would be as follows:

- Pyrotechnic, Flame Effect, or Fireworks Display Permit - \$175 per show
- Tent(s) Permit - \$25
- Liquefied Petroleum Permit - \$25
- Special Events Permit (for events requiring fire inspectors, as determined by the Fire Marshal) - \$50 per hour based on the estimated duration of the event
- Mobile Food Vendor Propane Permit - \$25

This fee schedule could be amended by resolution adopted by the Council.

Fiscal Note: This ordinance simply codifies the fee schedule currently in effect with the Fire Marshal's Office.
